- Actions to stop doing:
 - Leaving the tasks to the end of the week over the weekend
 - Underestimating the amount of time that something will take
- Actions to start doing:
 - Merging to master more often
- Actions to keep doing:
 - Updating scrum board
 - Communication levels high

• Work completed/not completed:

Completed:

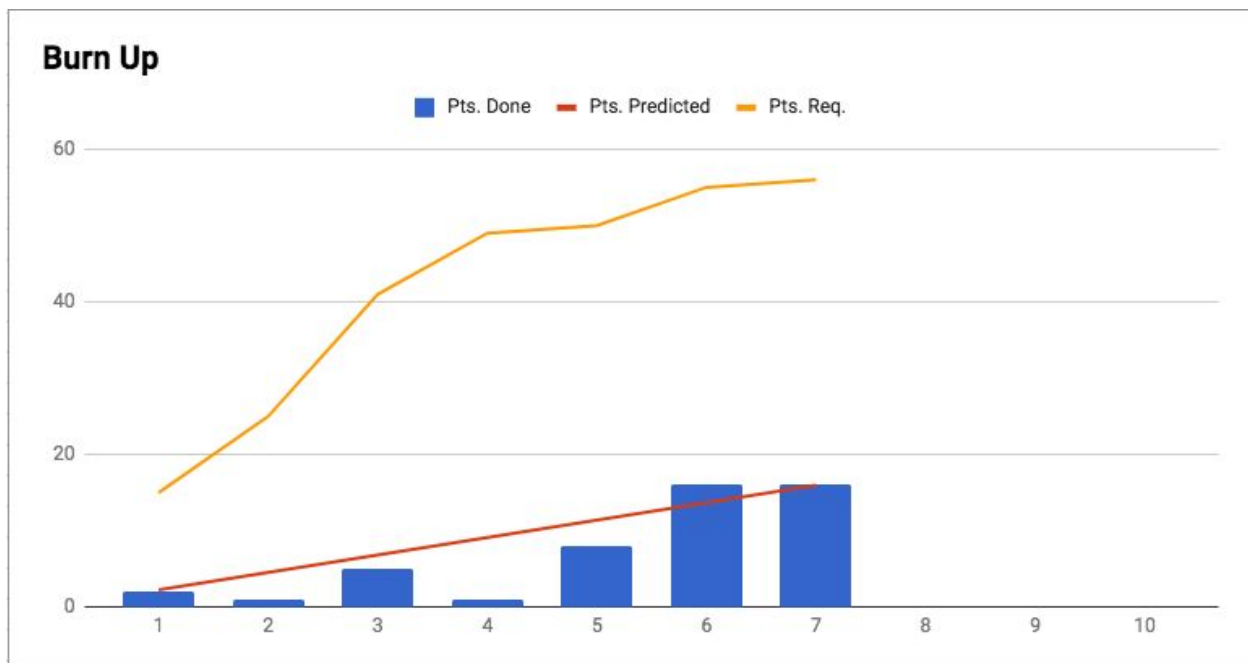

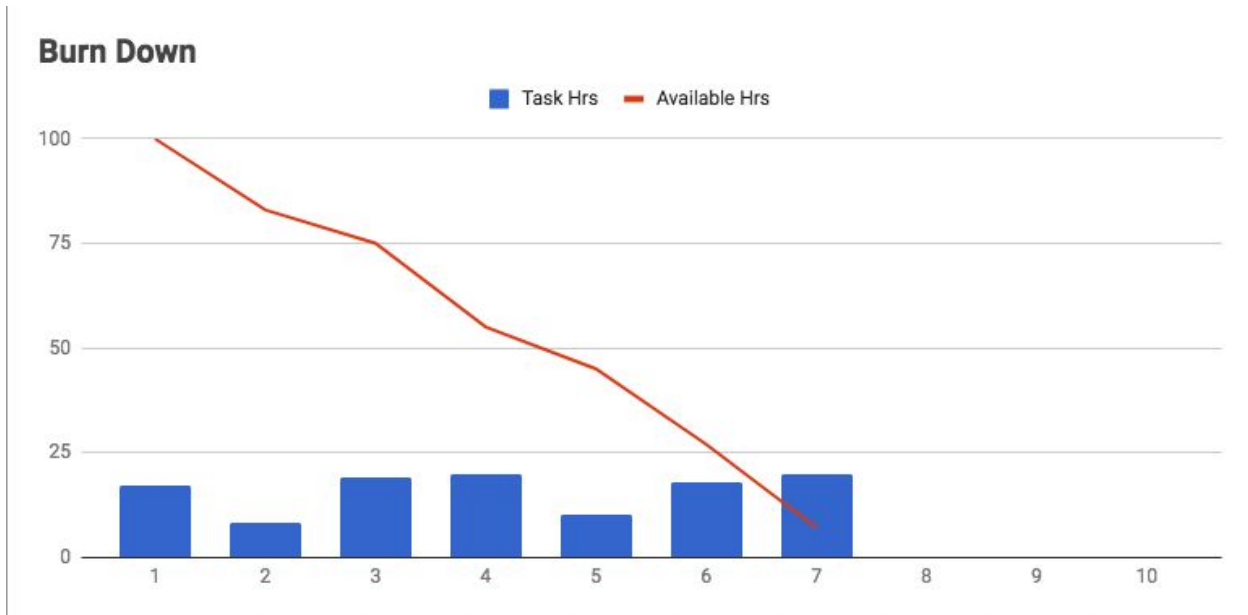

- As a user story I want to be able to login safely so I can save my information and save which coins I want to watch.

Not completed:

- As a frequent user I would like a profile where I can save certain coins and news stories I'm looking at.

• Work completion rate:
