10/23/17

Goal: To create a general news feed about cryptocurrency, three subpages for Bitcoin, Ethereum, and Litecoin.

Planning Poker: Matt() Guita () Josh() Francisco() Haonan()

User Story 1: As a user, I would like to see news about cryptocurrencies so I can be up to date with the news.

- Create trending cryptocurrency news that are popular Matt(8) Guita (8) Josh(8) Francisco(8) Haonan(8) 8
- Create most recent cryptocurrency news Matt(1) Guita (1) Josh(1) Francisco(2) Haonan(1) 1
- Create news about the three main news: bitcoin, ethereum, litecoin Matt(5) Guita (3) Josh(5) Francisco(5) Haonan(5) 5

User Story 2: As a user, I would like the news to be organized so I can make it easily viewable.

- Have a tab for the crypto news with the most popular page first and sub tabs at the top Matt(3) Guita (3) Josh(3) Francisco(3) Haonan(3) 3
- Have tables for each of the following: popular; recent; bitcoin; ethereum; litecoin Matt(3) Guita (3) Josh(3) Francisco(3) Haonan(3)

User Story 3: As a user, I would like the news to have sentiment analysis so I can determine which coin looks like a good investment.

- Incorporate sentiment analysis for each coin with a corresponding graph Matt(13) Guita (13) Josh(13) Francisco(13) Haonan(13)
- Have it be stylistic pleasing Matt(3) Guita (3) Josh(3) Francisco(3) Haonan(3) 3
